## Ohio Region Spring Tour May 8-10, 2026

### Westcott Frank Lloyd Wright Home Tour

A private tour of Frank Lloyd Wright's only Prairie School home in Ohio. It was commissioned by Burton and Orpha Westcott in 1906 and completed in 1908. John Westcott, together with his sons, Burton and Harry, originated the Westcott Carriage Company in Richmond, Indiana, in 1896. It was reorganized there as the Westcott Motor Car Company in 1909. In 1915, Burton moved the Wescott Car Company to Springfield. Learn more: [Wescott House](#).

### Carillon Historical Park

In 1950, Carillon Historical Park's museum complex opened with the purpose of showcasing the region's industrial innovations and transportation achievements. Since construction first began in 1940, the park has evolved into a beautiful 65-acre campus—designed by the Olmsted Brothers (the famed landscape architects responsible for Central Park)—containing dozens of museum buildings and countless artifacts. ### America's Packard Museum

The Museum is in an original Packard dealership which was operational from 1917 until 1940. Rogers Pontiac and Davis Buick used the facility as a dealership from 1940 until the 1970's. From 1899-1956, the Packard Motor Company built 1.6 million cars, and collectors estimate only about 10,000 still exist. The museum manages the largest public collection of Packard automobiles and memorabilia. Learn more: [America's Packard Museum](#).
