President's Message

Greetings:

We had a wonderful meeting with 14 in attendance. The museum at TP Tools was great because there were a lot of new cars there and some rearrangements of the older displays. After we left TP Tools, we went to the Bellaria in Canfield. We ordered from the menu and had some very good food.

At our meeting, I recapped January and February happenings. Our January and February luncheons held on the second Tuesday of the month were very good and the restaurants took care of us. In January we met at Perkins, and in February we met at Bob Evans in Canfield. Dave Snyder, John Tarleton, and Dean Evans attended our January meeting and our February meeting was attended by David Snyder, John Tarleton, and Brad Henderson. We covered a lot of items as to what was going to be happening in the coming year and some of us came up with some great ideas.

Our March luncheon get-together is being handled by John Tarleton, and we are going to meet at Adele's in Salem. Adele's is located at 589 Snyder Road in Salem. It will be the usual 11:30 time. Please call me for reservations because if we have enough people that are interested in the lasagna, we will have that made special for us. If the number is low, we will order from the menu. This meeting will be held on Tuesday, March 10. My telephone number is 330 503 7208

Our March meeting is going to be headed up by Barbara Ankney. We will have dinner at 5 o'clock at Giorgio's in Niles, which is located on Rt. 422. Once again, we need a headcount, so please call me for your reservation. 330-503-7208.

You will notice that I have tried to make our luncheons and our monthly meetings spread around to the three counties, Mahoning, Trumbull, and Columbiana. This way, it will be fair to all members as to driving to the different locations.

Our April meeting is going to be run by Michael Bernard. Information about that tour and the date will be in the next Newsletter.

Last but not least, congratulations to Glenn Jugenheimer, who was awarded the Benny Boodle Special award for driving his 1936 Ford on a national tour. He received the honor at the National meeting in Virginia.

You Know You Are Living in 2026 when...

1. You accidentally enter your PIN on the microwave.
2. You haven't played solitaire with real cards in years.
3. You have a list of 15 phone numbers to reach your family of three.
4. You e-mail the person who works at the desk next to you.
5. Your reason for not staying in touch with friends and family is that they don't have e-mail addresses.
6. Every commercial on television has a web site at the bottom of the screen.
7. Leaving the house without your cell phone, which you didn't even have the first 20 or 30 (or 60) years of your life, is now a cause for panic and you turn around to go and get it.
8. You get up in the morning and go online before getting your coffee.
10. You start tilting your head sideways to smile. :).
12. You're reading this and nodding and laughing.
11. You are too busy to notice there was no #9 on this list.

Always make sure your loved ones are buckled up.

A Prayer for Those Growing Old

Lord, Thou knowest I am growing older. Keep me from becoming talkative and possessed with the idea that I must express myself on every subject.

Release me from the craving to straighten out everyone's affairs. Keep me from the recital of endless detail. Give me wings to get to the point.

Seal my lips when I am inclined to tell of my aches and pains. They are increasing with the years and my love to speak of them grows sweeter as time goes by.

Teach me the glorious lesson that occasionally I may be wrong. Make me thoughtful but not nosey; helpful but not bossy. With my vast store of wisdom and experience it does seem a pity not to use it all. But Thou knowest, Lord, that I want a few friends at the end.
Amen.
